

§ 1739.16

the Project designed to further the deployment and use of Broadband Transmission Service, that the applicant intends to build or fund using the Agency's grant funds and the Matching Contribution; and

(4) If other telecommunications carriers (including interexchange carriers, cable television operators, enhanced service providers, providers of satellite services and telecommunications equipment manufacturers and distributors) are participating in the delivery of services, a description of the consultations and the anticipated role of such providers in the proposed Project.

(g) *Financial information and sustainability.* The applicant must provide a narrative description demonstrating the sustainability of the Project during the first two years and after completion and the sufficiency of resources and expertise necessary to undertake and complete the Project. The following financial information is required:

(1) Certified financial statements, if available; otherwise, the most current income statement and balance sheet for existing operations; and

(2) Pro-forma financial information for 5 years, evidencing the sustainability of the Project.

(h) *A statement of experience.* Information on the owners' and principal employees' relevant work experience that would ensure the success of the Project. The applicant must provide a written narrative describing its demonstrated capability and experience, if any, in operating a broadband telecommunications system.

(i) *Evidence of legal authority and existence.* The applicant must provide evidence of its legal existence and authority to enter into a grant agreement with the Agency and to perform the activities proposed under the grant application.

(j) *Funding commitment from other sources.* If the Project requires additional funding from other sources in addition to the Agency's grant, the applicant must provide evidence that funding agreements have been obtained to ensure completion of the Project.

(k) *Compliance with other federal statutes.* The applicant must provide evidence of compliance with other federal

statutes and regulations, including, but not limited to the following:

(1) 7 CFR part 15, subpart A—Non-discrimination in Federally Assisted Programs of the Department of Agriculture—Effectuation of Title VI of the Civil Rights Act of 1964.

(2) 7 CFR part 3015—Uniform Federal Assistance Regulations.

(3) 7 CFR part 3017—Governmentwide Debarment and Suspension (Non-procurement).

(4) 7 CFR part 3018—New Restrictions on Lobbying.

(5) 7 CFR part 3021—Governmentwide Requirements for Drug-Free Workplace (Financial Assistance).

(6) Certification regarding Architectural Barriers.

(7) Certification regarding Flood Hazard Precautions.

(8) An environmental report, in accordance with 7 CFR 1794.

(9) Certification that grant funds will not be used to duplicate lines, facilities, or systems providing Broadband Transmission Service.

(10) Federal Obligation Certification on Delinquent Debt.

§ 1739.16 Review of grant applications.

(a) All applications for grants must be delivered to the Agency at the address and by the date specified in the NOFA (see §1739.2) to be eligible for funding. The Agency will review each application for conformance with the provisions of this part. The Agency may contact the applicant for additional information or clarification.

(b) Incomplete applications as of the deadline for submission will not be considered. If an application is determined to be incomplete, the applicant will be notified in writing and the application will be returned with no further action.

(c) Applications conforming with this part will then be evaluated competitively by a panel of the Agency's employees selected by the Administrator of the Agency, and will be awarded points as described in the scoring criteria in §1739.17. Applications will be ranked and grants awarded in rank order until all grant funds are expended.

(d) Regardless of the score an application receives, if the Agency determines that the Project is technically or financially infeasible, the Agency will notify the applicant, in writing, and the application will be returned with no further action.

§ 1739.17 Scoring of applications.

(a) All eligible applications will receive points for the following scoring criteria:

(1) The rurality of the Project (up to 40 points);

(2) The economic need of the Project's Service Area (up to 30 points); and

(3) The "community-oriented connectivity" benefits derived from the proposed service (up to 30 points).

(b) Scoring criteria:

(1) *The rurality of the project*—up to 40 points.

(i) This criterion will be used to evaluate the rurality of the Community served by the Project, in accordance with the following method of scoring. If a Community is identified in the latest decennial Census, the applicant must use the Census information. If a Community is not identified in the Census but is identified in the latest edition of the Rand McNally Atlas, the applicant will use the Rand McNally Atlas information. Rurality shall be determined by the following criteria:

(A) The 2000 population data contained in the U.S. Bureau of the Census at <http://factfinder.census.gov>; or

(B) The population data contained in the latest edition of the Rand McNally Atlas. If no population data is contained in the Rand McNally Atlas for a community that is recognized in the Atlas, then that community is not eligible for a grant.

(ii) The following categories are used in the evaluation of rurality:

(A) Level 1 means any Community having a population of less than 500 inhabitants.

(B) Level 2 means any Community having a population of at least 500 and not in excess of 1,000 inhabitants.

(C) Level 3 means any Community having a population over 1,000 and not in excess of 2,000 inhabitants.

(D) Level 4 means any Community having a population over 2,000 and not in excess of 3,000 inhabitants.

(E) Level 5 means any Community having a population over 3,000 and not in excess of 4,000 inhabitants.

(F) Level 6 means any Community having a population over 4,000 and not in excess of 5,000 inhabitants.

(G) Level 7 means any Community having a population over 5,000 and not in excess of 10,000 inhabitants.

(H) Level 8 means any Community having a population over 10,000 and not in excess of 20,000 inhabitants.

(iii) Each application will receive points based on the location of the facilities financed using the definitions in paragraphs (b)(1)(i) and (b)(1)(ii) of this section.

(A) For a Service Area that includes a Level 1 Community, it will receive 40 points.

(B) For a Service Area that includes a Level 2 Community, it will receive 35 points.

(C) For a Service Area that includes a Level 3 Community, it will receive 30 points.

(D) For a Service Area that includes a Level 4 Community, it will receive 25 points.

(E) For a Service Area that includes a Level 5 Community, it will receive 20 points.

(F) For a Service Area that includes a Level 6 Community, it will receive 15 points.

(G) For a Service Area that includes a Level 7 Community, it will receive 10 points.

(H) For a Service Area that includes a Level 8 Community, it will receive 5 points.

(2) *The economic need of the Project Service Area*—up to 30 points. This criterion will be used to evaluate the economic need of the Service Area. Applicants must utilize the median household income (MHI) for the Community serviced and the state in which the Community is located, as determined by the U.S. Bureau of the Census at <http://factfinder.census.gov>. If the community was qualified using the Rand McNally Atlas, the applicant must use the MHI, contained in the decennial census, of the county in which the Community resides as the Community
